## **Library Notes**

Welcome to a new SBS School Year, with all the learning opportunities that we strive to provide here. In the library we continue to add to our collection of 9,000 + books, some of which are on our daily hallway bookcase displays. They are available for borrowing, as always, without charge. In addition, all are invited to check out the free book table by the library door, where a variety of duplicate or long unread books are looking to be taken to a new home. But, most of all, we continue to appreciate the ongoing encouragement you give to your children to make use of the library. We are truly off to a great start in usage in this first full week of school.

## **Hot Lunch**

We will be using a new hot lunch program this year, Choicelunch. Ordering and payment is done online, which will be explained next week at Back to School Night.
