## **Library Notes**

Gratitude and elation are sentiments that, as Book Fair Coordinator, I wish to share with you here. The gratitude comes from all the support you provided to your students' personal reading adventure by getting their books from the Book Fair. In addition, we greatly appreciate your Teacher Wish List purchases of books for your student's classroom, as well as the cash donations that helped add new books to our library collection. And, of course, we are especially grateful for the family volunteers who helped out during the Fair. Finally, the elation comes from our significantly exceeding the sales goal that had been posted on our website Book Fair link. While our initial goal, \$250 more than last year, was \$4750, your enthusiastic support led to a best ever result of \$6461, with a 25% benefit to the school's general fund. Again, many thanks to all for a most successful 2016 Book Fair.
