Library Notes

This week I want to share some reflections. Now back on the job after my election service, I continue to be grateful for our SBS families' support for students' reading and use of the library. While we especially appreciate the support that has enabled major growth in our library collection over my decade of service, the value truly lies in its usage. Today, the library notably serves as a multipurpose space, a resource for readers, a classroom, a mid-day student center, and a personal meeting locale. Looking ahead, with your ongoing support, we should continue to have an inviting collection and a welcoming library space. Thank you!

Coaches

We are in need of Boys A & B basketball coaches and Girls A basketball coach. Please contact the office by Monday, Nov. 21st to let us know if you are available to help. Thank You!
