Parent Meeting

Our last parent meeting of the year will be Thursday, May 11th, at 7:00 pm in the hall. The topic will be "Today's Math: Developing Your Child's Problem Solving Skills."

Library Notes

With Easter gratitude, and the returning support and encouragement of Ms. Watsabaugh, we again share out library related thoughts. In this case, it's a reminder that we remain open to getting new book suggestions. We seek to be responsive to reader interests as we grow and maintain a helpful library collection. For example, lately, that has involved expanding our offerings on the world of soccer and their top players, based on a student request. And, as always, there are also the teacher requests we seek to meet to beneficially serve their classroom efforts. Our SBS community's book ideas and donations are always welcomed.
