New On Campus Procedures

This summer new security front doors were installed. In order to get in, you will need to ring the buzzer. The office will be able to see and hear the visitor and open the door automatically. The two gates on Whitaker and Sherman way will be locked during the school day. Our goal is to enhance the safety of our students.

Library Notes

Welcome Back to a New School Year and the launching of a new Reading and Learning Adventure for our students. Hopefully, by the time SBS families get this week's Newsletter, your students will have already availed themselves of our Library offerings, new books and old. I remain grateful for the continued reading interest of our students. Fueled by family support and encouragement, we expect that your student(s) will make use of our Library resources for an enjoyably beneficial time.
