Library Notes

The music of Spring Sing is another marker of change in our school year sojourn. In the remaining days of this year's school calendar, the Library *notes* we will be sounding here will have a few themes. **First** is to invite students to take advantage of our Library resources. **Second** is to remind our borrowers to return their books when due. **And, last** but not least, to express our gratitude for the modeling and encouragement that our SBS families provide to their SBS students to read. Your support remains much appreciated.
