### **Library Notes**

Some see a "cliche" as an overly familiar, commonplace or overused phrase or idea. Well, this Librarian finds some truth and validity in the thought that "the only constant in life is change." When it comes to our Library efforts, we maintain our collection by annually pruning it of long unborrowed books, while constantly nourishing our shelves and display with purchased and donated ones. With the grateful support of SBS families, we are thusly able to engage and ongoingly promote the reading interests of our students.
